

Well-organised for good cooking:  
**cookingAGENT** – the new  
solution for creative kitchens

”

**ORGANISATION  
IS THE KEY:  
cookingAGENT!**

Everything you need stored efficiently in a compact unit.

*„You'll be amazed at how much fits into a cookingAGENT – cooking implements, herbs and spices, sauces and other stuff. And everything is in easy reach.“*

COOKING WITHOUT STRESS OR STRAIN

The chopping board rack is in the middle –  
this saves space and it's easy to reach.  
You decide exactly where you want the board.

The plastic bottom trays of the clip-on  
baskets can be taken out and washed –  
they're dishwasher safe, like all the  
plastic elements in the cookingAGENT.

As special as you are!  
As creative as your cooking  
style – **cookingAGENT**.

**What makes the cookingAGENT** so versatile and flexible?

It's the modular design that lets each user choose exactly which elements they need and want – and how to organise them.

cookingAGENT has space for everything – spices, oils and sauces, chopping boards, knives, even plates and bowls. It's every cook's dream – everything you need is ready to hand as you cook. cookingAGENT is a true full-extension pull-out that moves the whole contents completely out in front of the cabinet. Nothing could be more comfortable. And if you change the way you cook, cookingAGENT can be adapted instantly to your wishes.

PRACTICAL AND USER-FRIENDLY

## FLEXIBLE AND CUSTOMISABLE

Your favourite knives are always ready to hand. The knife block lifts out – stand it where you need it while you cook and tidy it away afterwards. The plastic slats accommodate all sorts of different knife formats. They can be easily lifted out for cleaning.

Perfect holders for sauces and spices. The high gallery and the movable dividers hold bottles and jars securely in place.

Practical plastic bins help you to work fast and efficiently. Lift them out with their contents and put them close to where you're working.

## cookingAGENT:

Designed in Germany  
for worldwide use.

**The cookingAGENT** was designed by Kesseböhmer especially for the cooking styles and high expectations of users all over the world. It is manufactured to exacting German quality standards and complies with world-leading hygiene standards. All critical components have been tested for food safety and are designed for very easy cleaning. All plastic elements are dishwasher safe.

cookingAGENT is the perfect combination of comfort and hygiene. It adapts perfectly to each user's individual cooking style. Moreover, if your cooking and eating habits change, or if you're planning to use different ingredients, new knives or special utensils, then you can adapt the cookingAGENT to the change within minutes. You'll always enjoy a perfectly customised storage unit that stores exactly what you want – in the tightest possible space – with everything instantly accessible.
